

## FIRING TEMPORARILY STOPPED

The Davens' kilns are in need of some TLC and maintenance. Until further notice, Davens will not be offering firing services. We apologize for any inconvenience this may cause and encourage you to follow our social channels for announcements for when we'll be offering this service again. If you have already dropped your pieces off at Davens, we will be able to complete your firings in the coming weeks. However, firing times may be delayed and we cannot guarantee any specific deadlines. We recommend visiting <https://bit.ly/3B4xzsh> or other similar websites to view available kilns to rent in the area.

*Thank you for your patience.*
